

DUDE, there's MORE to the STORY

Fahrenheit 911

... **is only the tip of the iceberg**

"62% of Canadians think
Bush let 9/11 happen."
Canadian national poll

Michael Moore's website lists **www.911Truth.org**
in his "must read" section. **Why is it a must read?**

Michael Moore courageously exposing the White House allowing Bin Laden family members to exit after 9/11, when Americans were not allowed to fly, *is only the tip of the iceberg* of 9/11 questions:

- Why did Bush go into a classroom after the first plane hit, and why did he sit reading about pet goats *even after* the second plane had hit the World Trade Center?
- Why **no interceptor jets** during 1.5 hours of hijackings on 9/11?
- Who made **insider stock trades** against United and American Airlines the week before 9/11? Why did the head of a CIA connected investment firm quit on 9/12/01 where heavy bets were made against UA and American Airlines, and why has no one claimed \$2.5 million of their *winnings* at that bank?
- Why did the CIA station chief meet with Bin Laden weeks before 9/11, and **not** arrest him, then fly back to Washington for top level meetings?
- Why did the head of Pakistani Intelligence (who was meeting with Bush officials on 9/11) wire \$100,000 to lead hijacker Mohammed Atta in weeks just before the 9/11 attacks?
- Why did Building #7 of the WTC collapse when it had **not** been hit by an aircraft? No skyscraper has **ever** collapsed only because of fire.
